Subject: Intimation pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, M/s Jainam Ferro Alloys (I) Limited to set up 20.7 MWp AC / 27 MWp DC Captive Solar Power plant of the Company.

Ref: Our earlier announcement by submission of outcome of board meeting dated 03rd September 2024 vide letter JFAL/NSE/2024/123.

Dear Sir(s),

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, and in continuation of our earlier announcement ref JFAL/NSE/2024/123 dated 03rd September 2024, We wish to inform you that the Board had finalised Tata Power Renewable Energy Limited to setup the 20.7 MWp AC / 27 MWp DC Captive Solar Power plant in one or more phases.

Further the Plant is expected to be operational by 31st March 2026 and will be located at the land situated at Village-Tekapar, Tehsil-Khairagarh, Khairagarh, Rajnandgaon, Chhattisgarh. The approximate Project cost will be Rs. 85 Cr. (Rupees Eighty-Five Crores Only) and will be met by the Company from internal accruals and current banking facilities.

Further Information pursuant to Provision of Regulation 30 of SEBI (LODR) Regulations read with SEBI Master Circular dated November 11, 2024, and December 31, 2024 is enclosed herewith as **Annexure I**.

Further the power generated at Solar Power Plant will be captively consumed to meet the power requirements of the Ferro plant of the company, which will reduce the high cost of power consumption of the company, which was earlier purchased by the company from state electricity department/supplier, the generation of Solar Energy will support the green initiatives by the company and it will reduce the Carbon foot print.

Please take the same on your record and acknowledge the receipt of the same.
